FINANCIAL POLICY: We do not solicit funds from anyone or sell any of our tapes and publications. Our ministry is a grace ministry in which we look to the Father to supply our personal needs and those of this ministry through believers and independent local churches that desire to help in the spreading of the gospel and the teaching of Bible doctrine. We thank all of those who are led by God to contribute to this ministry. Gifts to the ministry should be made out to Baptist Missionary Ministries or Grace Military Ministries.
